DATE: Feb 28, 2011 **TIME:** 7:30 p.m. **LOCATION:** Forest Hill Clubhouse, 381 Magellan Avenue

7:30 Meeting called to order
7:35 roll call
7:40 District attorney's office update
7:45 Committee Reports:

1. Matt Chamberlain: planning issues and possibly some thoughts on the Park Merced Development.
2. Avrum Shepard: Transportation: possibly mention the 5 new ways that Muni is considering to generate revenue from the neighborhoods.
3. George Wooding: Public Health---not much going on besides pending budget cuts.
4. Gus Guibert: Open Space Committee: will discuss recreation and park issues such as park privatization or the new waste water plant site alternatives.

8:00 Old business.

1. Discussion of the Laguna Honda/Clarendon issue. DPW wants to use a portion of the open space around the Laguna Honda reservoir to house one of their departments.

8:02 New business:

1. The Miraloma Park Improvement Club (MPIC) will briefly discuss the proposed operating hours of a CVS Drugstore that will be built at 702 Portola Avenue. The Drugstore would like to sell alcohol at this location. There are already 3 three grocery stores and a bar with liquor licenses and this would be the 5th liquor license in a two block area. A resolution may follow in March.
2. I would like the WTPCC to feature a candidates debate for mayoral candidates before completed ballots are mailed. This would be a large event that would discuss the ramifications of rank choice voting and allow the public to ask questions of each mayoral candidate. This would not be a regular WTPCC meeting. We would schedule the use of a large facility and promote this event on the West side of Town.

8:10 State Senator and Mayoral candidate, Leland Yee will talk and answer questions.

8:40 New Supervisor, Scott Weiner will introduce himself to the membership and answer member's questions.

9:00 Sean Elsbernd may want to talk briefly about his progress with pension reform. If Sean is not in attendance or postpones his talk, the meeting will be adjourned.
