Dear Chief Fong:

The West of Twin Peaks Central Council is an umbrella organization of 16 West of Twin Peaks neighborhood organization. We have been told that two excellent officers: Sergeants J. Bragagalolo and S. Briggs have been removed from street assignments because of allegations of falsifying documents.

Many of our members personally know of the exceptional police work of these two officers and believe our streets will be safer if they are returned to their regular assignments. We urge you to allow these officers to return to the job of protecting our streets during the investigation of the charges against them.

Thank you,

David Bisho, President
