Re: Appeal for Categorical Exemption/ Sutro Tower  
Permit Applications 2004-1105-8607/ 2004/1220-1816/ 2005-0125-3910

Dear President Peskin:

At the March 28, 2005, the delegates from member organizations of the West of Twin Peaks Central Council voted to support Midtown Terrace and the Twin Peaks Improvement Association in their appeal of the Categorical Exemption of Sutro Tower before the Board of Supervisors on April 26, 2005.

The Council agrees with these homeowner organizations that the project description is inaccurate and that the project is not a minor addition or alteration that would justify exemption from an environmental review. The delegates are also concerned that the cumulative impacts of the eight proposed installations could result in significant impacts on the environment and affect the single family character of this area. The Council agreed that this project should have an environmental impact review.

Thank you,

David Bisho, President
