San Francisco Board of Supervisors:

By a unanimous vote at our September meeting, the sixteen neighborhoods of the West of Twin Peaks Central Council have requested that, at this time, you disapprove of the Eastern Neighborhoods Plan; the second reading is tomorrow as Item 12. The Council believes that this and all other significant planning policy proposals should pass through the Planning Commission first, so that the public, private property owners, and all other stake-holders have a chance to weigh in.

Thank you.
