Since 1936

WTPCC special meeting May 9, 2005.

The group unanimously decided to write a letter to the Mayor, Board of Supervisors, the San Francisco Planning Commission, and the San Francisco Health Commission expressing concern about the proliferation of marijuana clubs in the City. The letter should cover the following major points:

1. Consider moratorium extension separately from the reclassification of uses described in File No. 050773.
2. Refer consideration of the classification and zoning issues to the Planning Commission to allow public input
3. Establish distribution of medical marijuana through City operated medical facilities to ensure adherence to existing Health code.
4. Request that existing marijuana clubs not be “grandfathered” into the distribution system.

Dan Liberthson and Paul Conroy agreed to draft the letter for President Dave Bisho’s signature.
